Air Compressors, Dryers, Vacuum Pumps & Systems

Airtech Vacuum Nano	Vacuum Pumps Nitrogen Generators, Breathing Air Purifiers, Refrigerated & Desiccant Air Dryers and Filters
Saylor Beall	1 to 30 HP Lubricated Reciprocating Compressors, Oil-Less Reciprocating to 10 HP Oil-Free Rotary Screw, Fixed & Variable Speed
Rogers - Kobelco Parker/Airtek/Zander	Refrigerated & Regenerative Air Dryers, Filtration, Chillers
Sullair	Rotary Screw, Fixed & Variable Speed, Lubricated & Oil-Free, Scroll, Refrigerated & Desiccant Dryers
Zeks	Refrigerated & Regenerative Air Dryers & Filtration

Pumps

Ampco Pumps	Sanitary Positive Displacement and Centrifugal
Circor:	
Allweiler	Hot Oil Centrifugal
IMO	Three Screw and Gear Pumps
Crane Pumps:	
Barnes	Self Priming, End Suction
Burks	Centrifugal & Regenerative Turbine
Deming	End Suction, Horizontal Split Case, Vertical Turbine, Demersible, Self Priming Trash
Weinman	Centrifugal, Condensate Return
Ebara	Submersible, Grinder & Sewage Handling Systems, Dewatering/Slurry
Finish Thompson	Drum Pumps, Sealed & Mag-Drive Centrifugal Pumps
Griswold	ANSI Process and End Suction
IDEX:	
Warren Rupp	Air Operated Double Diaphragm
Wright	Sanitary Pumps
Neptune	Chemical Metering Pumps, Solenoid and Motor Driven, Chemical Feed Systems
Roper	Rotary Gears & Progressing Cavity
Vanton	All Thermoplastic: Vertical, ANSI, Mag-Drive and Self-Priming
Vogelsang	Rotary Lube, Grinders, Macerators
Vertiflo	Vertical Submersible and End Suction Centrifugal
Versamatic	Air Operated Double Diaphragm

Heat Transfer Equipment

AKG Thermal Transfer	Air and Water Cooled Heat Exchangers Shell and Tube Air and Water Cooled Heat Exchangers
Cooling Systems EPS (Engineered Process Solutions)	Closed Loop, Evaporative, Chillers Fuel Oil Pump Skids, Heating/Cooling Transfer Packages, Chemical Feed, 3-D Drafting, Sanitary

Mechanical Seals

Flex-A-Seal	Cartridge and Component Mechanical Seals and Accessories, Seal Repair
--------------------	---

"The World's Only Patented (#5662340) Split Cartridge Seal."
