

David Degear, Water & Sewer Superintendent

645 Years of Pump Station Operation: *The Town of Farmington, New York*

The town of Farmington bought their first Gorman-Rupp above ground pump station in 1989, and the original pumps are still operating almost 30 years later. With over 30 stations now, the pumps serve Farmington, Victor, and parts of Canandaigua, NY.

With over 645 combined years of pump station operation, Gorman-Rupp pumps bring reliability & longevity.

RESULTS: *Gorman-Rupp Pump Stations*

Dave Degear, Water & Sewer Superintendent at the Town of Farmington, expressed how easy Gorman-Rupp pump stations are to maintain with the ability to simply walk in and check operation. There is also the added benefit of not having to deal with confined space.

The combination of Gorman-Rupp and Siewert Equipment's service team has been integral to the proper operation and maintenance of the stations.

Please contact your local Siewert Outside Sales Engineer
to discuss Gorman-Rupp pump stations.
